

FAMILY INVOLVEMENT IN STATE-STANDARD ACHIEVEMENT

**Teachers, School Administrators, Parent - Teacher
Organization Members:**

***“Are you looking for ways to increase the level
of family involvement in your school?”***

Then, this workshop is for you!

Participants will learn:

- Innovative ways to encourage families to provide information about their child's learning styles, goals, strengths, and skills.
 - Quick and easy strategies for teachers to help families assist their children with skills they need to improve.
- Sure-fire tips on how to respond to families' reluctance to get involved.
 - Proven ideas to promote familial involvement that schools can implement today.
